

### **Huber Engineered Zip Roof System Sheathing**

Building Products of Canada Corp. (BP) warrants its roofing asphalt shingles when installed according to BP instructions over Huber Engineered ZIP Roof System Sheathing. The sheathing must be applied in accordance to the requirements of Huber Engineered Woods.

The design professional and/or contractor are responsible to establish the compliance of the roofing system with the building code requirements.

BP shall bare no responsibility under its warranty for :

- Defects or damage caused by materials used as roofing base over which the shingles are applied ;
- Damage to the shingles caused by movement, settlement , distortion, failure or cracking of the roof deck ;
- Defective manufacturing or improper installation of deck fasteners ;
- Defect, failure or water leakage caused by the application of its shingles not installed in strict compliance with BP's instructions.
